

Critical 2015-2016 Dates

2015

-  September – December Program registration is open. Students begin working on their video(s) using this year's handbook problems, which are included in the *2015-2016 Math Video Challenge Playbook*.

Team advisors must begin the registration process for this program online at **videochallenge.mathcounts.org/register**. After the team advisor registers, s/he must get parent/guardian approval for each student on the team. Parent approval can be done online or team advisors can provide parents the Offline Registration Form to complete. Any offline registration forms should be mailed or emailed to:

MATHCOUNTS Foundation – Math Video Challenge Registrations
1420 King Street, Alexandria, VA 22314
Email: videochallenge@mathcounts.org

Questions? Call the MATHCOUNTS national office at (703) 299-9006.

2016

-  January – March Program registration is open. Students continue working on their video(s) using this year's handbook problems, which are included in this *2015-2016 Playbook*.

-  Feb. 3 **Suggested Deadline for Video Submissions**
In order for your students to have the opportunity to collect votes during the *entire* general public voting period, their video(s) must be submitted (and approved by you, the team advisor) by February 3.

-  Feb. 4 – Mar. 14 **General Public Voting**
Voting is limited to 1 vote per video per day for each email account used to log into the contest website. Encourage your students to vote every day for their video(s) and ask their friends and family members to vote daily, as well.

-  Mar. 14 **Final Deadline for Video Submissions**
Videos submitted after 11:59 PM ET on March 14 will not be eligible to win. *Videos submitted on or right before the Final Deadline are unlikely to earn enough votes to advance to the judging rounds. Get your students' video(s) submitted and approved by February 3 to maximize your students' time to collect votes.*

-  Mar. 17 **Top 100 Videos Announced**

-  Mar. 28 **20 Semifinalist Videos Announced**

-  Apr. 4 **4 Finalist Videos Announced**

-  May 8-9 **2016 Raytheon MATHCOUNTS National Competition in Washington, DC**
Teams that created the 4 finalist videos receive an all-expenses-paid trip to present their work to the 224 national competitors.
